#### INDEPENDENT AUDITOR'S REPORT

#### Report on the Financial Statements

We have audited the accompanying consolidated financial statements of The Muskingum County Community Foundation and Affiliates (collectively, the "Foundation") which comprise the consolidated statements of financial position as of December 31, 2015 and 2014, and the related consolidated statements of activities, change in net assets and cash flows for the years then ended and the related notes to the consolidated financial statements (the "financial statements").

#### Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

#### Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of The Muskingum County Community Foundation and Affiliates as of December 31, 2015 and 2014, and the change in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

#### Other Matter

Our audit was conducted for the purpose of forming an opinion on the financial statements taken as a whole. The consolidated schedules of operating expenses and graphs on pages 18 through 22 are presented for purposes of additional analysis and are not a required part of the basic financial statements. Such information is the responsibility of management and was derived from and related directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements taken as a whole.

#### NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

#### NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

#### Description of Program and Supporting Services

The Muskingum County Community Foundation, formerly The Zanesville Foundation, was formed in August 1985 for the purpose of encouraging gifts from individuals, estates, corporations and other entities and to provide the means for those gifts to be accumulated and distributed for the benefit of the community of Muskingum County. The Muskingum County Community Foundation administers the funds of MCCF, Limited (a limited liability company), MCCF II, LLC (a limited liability company), MCCF III, LLC (a limited liability company) and Wooden Building, LTD (a limited liability company). The Muskingum County Community Foundation is the sole member of these four entities. MCCF Limited was formed in April 2002. MCCF II LLC and MCCF III LLC were formed in November 2004 and January 2010, respectively, and Wooden Building LTD was formed in July 2013, to support The Muskingum County Community Foundation and its charitable purposes.

#### Principles of Consolidation and Method of Accounting

The consolidated financial statements are prepared on the accrual basis to include The Muskingum County Community Foundation, MCCF Limited, MCCF II LLC, MCCF III LLC and Wooden Building LTD (collectively, the "Foundation"). All intercompany accounts and transactions have been eliminated.

Net assets, revenues, expenses, gains, and losses are classified based on the existence of Board designated or donor-imposed restrictions. Accordingly, net assets and changes therein are classified and reported as follows:

#### Unrestricted

Those resources that may be used by the Foundation for any purpose consistent with the mission and objectives of the Foundation. Donor restricted contributions whose restrictions are met in the same year as the contributions are recorded as unrestricted net assets.

#### Temporarily Restricted

Those resources subject to donor imposed restrictions which will be satisfied either by action of the Foundation and/or passage of time. When a restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions. Temporary restricted net assets related to time restrictions at year end were \$762,916 and \$597,027 as of December 31, 2015 and 2014, respectively.

#### Permanently Restricted

Those resources subject to a donor imposed restriction that they be maintained permanently by the Foundation. The donors of these resources permitted the Foundation to use all or part of the income earned, including capital appreciation, on related investments for unrestricted or temporarily restricted purposes. The Foundation did not have any permanently restricted net assets as of December 31, 2015 and 2014.

#### Contributions

Contributions, gifts and bequests received are recorded as unrestricted, temporarily restricted, or permanently restricted support depending on the existence or nature of any donor restrictions. Support that is restricted by the donor is reported as an increase in temporarily or permanently restricted net assets. When a restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets.

#### NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

#### NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Unconditional promises to give (pledges) are recorded as received and are considered available for unrestricted use unless specifically restricted by the donor. Amounts received that are designated for future periods or restricted by the donor for specific purposes are reported as temporarily restricted support that increases that net asset class. Unconditional promises to give due in the next year are reflected as current promises to give and are recorded as their net realizable value. Unconditional promises to give due in subsequent years are reflected as long-term promises to give and are recorded at the present value of their net realizable value, using risk free interest rates applicable to the years in which the promises are received to discount the amounts. Amortization of the discount is included in the related contribution revenue.

#### **Donated Materials**

Donated property, marketable securities, and other non-cash donations are recorded as contributions at their fair market value at the date of transfer.

#### In-Kind Services

Office space, some architectural media, and legal services are furnished without charge and are accounted for as revenue and expense at fair market values as determined by comparable properties and services.

#### Cash and Cash Equivalents

For the purpose of these financial statements, cash and cash equivalents include all highly liquid investments with original maturities of three months or less.

#### Certificates of Deposit

Certificates of deposit with original maturities of 90 days or less are considered "cash and cash equivalents." Certificates of deposit with original maturities greater than three months and remaining maturities less than one year are classified as "current." Certificates of deposit with remaining maturities greater than one year are classified as "long-term."

#### Investments

Marketable debt and equity securities are stated at fair market values as determined at year-end.

#### Inventory

Inventory consists of certain donated works of art or other assets, which are displayed for auction to the public. The Foundation auctions these items to interested parties for a specified minimum contribution or during an annual fundraising event. Gift income is recognized at the time of donation in the amount of the fair market value of the donated asset. Additional gift income is recognized for amounts contributed in excess of the fair market value at the time of the auction.

#### Collectibles & Artwork

The Foundation capitalizes its collectibles and artwork, which include a stained glass work of art, 14 framed paintings by local artists, various pottery artifacts and various other items. These pieces are held for exhibition to the public and are protected and preserved by the Foundation. It is the intent of the Foundation to hold these items indefinitely.

#### NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

#### NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

#### Net Assets

Accounting standards provide that if the governing body of an organization has the ability to remove a donor restriction, the contributions should be classified as unrestricted net assets. Accordingly, the financial statements classify all net assets that the Foundation has obtained variance power from the donor as unrestricted.

#### Property and Equipment

Purchased equipment is recorded at cost. Assets acquired through capitalized leasing arrangements are recorded at the lower of fair market value or present value of minimum required lease payments. Donated equipment is recorded as support at its estimated fair value at the time of donation. Such donations are reported as unrestricted support unless the donor has restricted the donated asset to a specific purpose. As of December 31, 2015 and 2014, the Foundation did not have donated property restricted for a specific purpose. It is the Foundation's policy to capitalize expenditures for items in excess of \$400. Expenditures for replacements are capitalized and the replaced items are retired. Maintenance and repairs are charged to operations. Gains and losses from the sale of property and equipment are included in income. Depreciation is computed using the straight-line method over the estimated useful lives of the assets as follows:

Building and renovations	39 years
Leasehold improvements	15 years
Equipment	7 years
Furniture and fixtures	5 years
Computer software	5 years

Depreciation expense for the years ended December 31, 2015 and 2014 was \$21,396 and \$45,720 respectively.

Property and equipment includes a house donated to the Foundation in 1998. Subsequent renovations have been made to the house by the Foundation, as it is intended to serve local charitable needs.

#### Provision for Federal Income Tax

The Muskingum County Community Foundation is exempt from federal income taxes under Internal Revenue Code Section 501(c)(3) and had no unrelated business income subject to income tax for the years ended December 31, 2015 and 2014.

Generally accepted accounting principles require management to evaluate the level of uncertainty related to whether tax positions taken will be sustained upon examination. Any positions taken that do not meet the more-likely-than-not threshold must be quantified and recorded as a liability for unrecognized tax benefits in the accompanying consolidated statement of financial position along with any associated interest and penalties that would be payable to the taxing authorities upon examination. Management believes that none of the tax positions taken would materially impact the financial statements and no such liabilities have been recorded.

#### NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

#### NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

#### Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

#### Spending Policy

Subject to giving instruments and statutory requirements, the spending policy is determined by total return. The amount to be spent in the coming year is calculated in October, using September 30<sup>th</sup> figures, and is reviewed and approved by the Board of Trustees annually. The calculation is based on a 12-quarter moving average of the market value of the total fund multiplied by an amount not to exceed 5%. Half of all fees (administration, investment management and custodianship) will be included in the multiplier. The other half of all fees will come from the principal balance. The spending policy applies to all endowment funds held by the Foundation.

#### **Investment Policy**

The Foundation's investment policy was established to give general guidance to investment managers with a goal of earning a reasonable rate of return based on market conditions while minimizing risk. Benchmarks are as follows: equity 70%, fixed income 25% and cash 5%. Acceptable ranges are also given for each category. This policy applies to all of the Foundation's investments as a whole, with the exception of those assets in the Donor Advised/Pass Thru pool, which has a benchmark of 30% equity and 70% fixed income.

#### Subsequent Events

Subsequent events have been evaluated through October 26, 2016, which is the date the financial statements were available to be issued. Management has determined that there were no transactions or events that required disclosure through the evaluation date.

#### Recently Issued Accounting Pronouncements

In May 2014, the Financial Accounting Standards Board ("FASB") issued Accounting Standards Update ("ASU") No. 2014-09 entitled "Revenue from Contracts with Customers (Topic 606)," which will change the Organization's method of revenue recognition. In August 2015, the FASB deferred the effective date of the new standard by one year. This new standard is effective for annual reporting periods beginning after December 15, 2017, while allowing nonpublic companies an additional year to implement this new standard. Early implementation is permitted, but not before the original implementation date for periods beginning before December 15, 2016. The provisions of this standard will be applied retrospectively. Management has not yet determined whether this new standard will have a material effect on its financial statements.

In February 2016, FASB issued ASU No. 2016-02 entitled "Leases (Topic 842)," which will change the Organization's statement of financial position by adding lease-related assets and liabilities. This may affect compliance with contractual agreements and loan covenants. This new standard is effective for annual reporting periods beginning after December 15, 2018, while allowing nonpublic companies an additional year to implement this new standard. Early implementation is permitted, but not before the original implementation date for periods beginning before February 25, 2016. Management has not yet determined whether this new standard will have a material effect on its financial statements.

#### Recently Issued Accounting Pronouncements (continued)

In August 2016, the FASB issued ASU No. 2016-14 entitled "Presentation of Financial Statements of Not-for-Profit Entities (Topic 958)" which will, among other changes, change the presentation of the Organization's classifications of net assets from three classes to two (with donor restrictions and without donor restrictions) and require a schedule of expenses by both natural and functional classification. This new standard is effective for annual reporting periods beginning after December 15, 2017. Early implementation is permitted. Management has not yet determined whether this new standard will have a material effect on its financial statements.

#### NOTE 5: CONTRIBUTIONS RECEIVABLE – CHARITABLE REMAINDER TRUSTS

For the years ended December 31, 2015 and 2014, the Foundation had contributions receivable from a unitrust of \$298,347 and \$317,438 respectively. These contributions receivable were discounted to \$74,220 for 2015 and \$75,039 for 2014 using fair market value of assets donated and a market discount rate. The unitrust is irrevocable and transfers assets upon the death of the life beneficiary. The agreement specified that a certain percentage of the net fair market value of the trust assets be paid in quarterly installments to the donor(s) from income and, to the extent income is insufficient, from principal. Any income in excess of the unitrust amount shall be added to the principal.

#### NOTE 6: ANNUITY LIABILITY

The Foundation is the beneficiary of a charitable remainder trust, which specified that an annual annuity payment of \$14,100 is to be made to the donors during their lifetime. Upon the death of the donors, the balance remaining in the trust will pass to the Foundation. The liability for this charitable remainder trust has been recorded at the present value of the expected future payments to be made to the donors. The present value as of December 31, 2015 and 2014, is as follows:

#### NOTE 8: ADMINISTRATION FEES

The Foundation assesses administration fees to the various funds at a rate of 0.25% of the market value of invested assets at each quarter end. Scholarship funds were assessed fees at a rate of 0.50% per quarter. Project type funds were assessed fees at a rate of 2% of income coming into the fund.

#### NOTE 9: CASH SURRENDER VALUE – LIFE INSURANCE

The Foundation is the owner and beneficiary of various insurance policies given as contributions. The Foundation, in most cases, pays the premium and the donor reimburses the Foundation. Cash surrender values are determined at the end of the statement year and revenue is adjusted accordingly. For the years ended December 2015 and 2014, cash surrender values increased by \$19,229 and decreased by \$37, respectively. The aggregate face values of the policies assigned to the Foundation are \$2,098,929 and \$2,098,929 as of December 31, 2015 and 2014, respectively.

#### NOTE 10: CONCENTRATION OF ECONOMIC RISK

The Foundation invests its funds with local financial institutions or investment advisors. Other than funds needed for current operations, all funds are deposited with financial institution trust departments under various trust agreements and cash management arrangements. Monies are invested by the trust departments, subject to agreements and general guidelines, in cash management accounts, mutual funds, U.S. Treasury securities, agency issues of the United States government, corporate bonds, and corporate capital stock (foreign and domestic). Depository accounts are insured by the Federal Deposit Insurance Corporation up to a maximum of \$250,000 in aggregate.

#### NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

#### NOTE 11: SEGREGATED INVESTMENTS

Certain funds are required by donor and trust agreements to be invested and maintained separately in specific financial instruments or bank trust accounts. As of December 31, 2015 and 2014, segregated funds include the Josephine Sebach Educational Fund assets with market values of \$1,738,682 and \$1,799,763, respectively, the Longaberger Quality of Life Endowment Fund assets with market values of \$1,069,462 and \$1,161,311, respectively, funds established from the estate assets of Mary Vashti Funk with market values of \$1,886,376 and \$1,992,540, respectively, funds established from the estate assets of Emmett J. France with market values of \$955,514 and \$961,619, respectively, the Sarah E. Slack Prevention of Blindness Fund with market values of \$1,223,469 and \$1,284,533, respectively, and the Cerney Charitable Remainder Trust Annuity with market values of \$149,891 and \$168,896, respectively. These funds included cash and cash equivalents of \$513,783 and \$576,245 as of December 31, 2015 and 2014, respectively.

#### NOTE 12: RETIREMENT PLAN

The Foundation has a Simple IRA in which employees may contribute any amount up to certain maximum limits allowable as specified in the Internal Revenue Code. The Foundation matches employee contributions up to 3%. The Foundation contributed \$7,777 and \$8,544 to the plan during the years ended December 31, 2015 and 2014, respectively.

#### NOTE 13: CAPITAL LEASE

The Foundation entered into a capital lease for office equipment with a term of five years and no interest beginning February 1, 2015 (imputed interest is not significant to the financial statements). The Foundation had a lease that expired during the year ended December 31, 2014. Assets under lease are depreciated over the term of the lease. Depreciation of assets under capital lease is included in depreciation expense. The following is a summary of the property held under capital lease, which is included in property and equipment in the financial statements for the years ended December 31, 2015 and 2014:

	2015		2014	
Office equipment	\$	10,993	\$	13,747
Less: accumulated depreciation	9 <del>-</del>	(2,015)	7	(13,747)
Office equipment, net	\$	8,978	\$	-

#### NOTE 14: OPERATING LEASES

The Foundation leases its offices from a non-profit organization. The term of the lease is 20 years through 2019 and can be automatically renewed for an additional 20-year term upon notification to the lessor at least one year prior to the expiration of the primary term. The Foundation is required to set aside \$500 per month to provide for maintenance and repairs of the building. If this fund reaches \$6,000 of unneeded and uncommitted funds, the monthly set aside may cease as long as the sum of \$6,000 is maintained in the accounts. The Foundation recognizes the fair value of the building rent in the amount of \$60,000 annually as an in-kind contribution and corresponding rental expense.

#### NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

#### NOTE 15: AGENCY FUNDS

The Foundation has adopted provisions of the "Revenue Recognition" topic of the Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC"). Provisions of this topic establish standards for transactions in which a community foundation accepts a contribution from a donor and agrees to transfer those assets, the return on investment of those assets, or both to another entity that is specified by the donor. Provisions also specifically require that if a not-for-profit organization establishes a fund at a community foundation with its own funds and specifies itself as the beneficiary of that fund, the community foundation must account for the transfer of such assets as a liability. The Foundation refers to such funds as agency endowments.

The Foundation maintains variance power and legal ownership of agency endowment funds and as such continues to report the funds as assets of the Foundation. However, in accordance with the "Revenue Recognition" topic of the FASB ASC, a liability has been established for the fair value of the funds, which is equivalent to the funds current fair market value.

As of December 31, 2015 and 2014, the Foundation was the owner of 20 agency endowment funds with a combined value of \$963,294 and \$1,082,051, respectively. The following table summarizes activity in such funds during the years ended December 31, 2015 and 2014:

	2015		2014

#### NOTE 16: ASSETS AND LIABILITIES – FAIR VALUE INFORMATION

In accordance with the Fair Value Measurements and Disclosures Topic of the FASB ASC, all financial instruments that are being measured and reported on a fair value basis must be classified and disclosed in one of the following three categories:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Foundation has ability to access.

Level 2: Inputs to the valuation methodology include: quoted prices for similar assets or liabilities in active markets, quoted prices for identical or similar assets or liabilities in inactive markets, inputs other than quoted prices that are observable for the asset or liability, inputs that are derived principally from or corroborated by observable market data by correlation or other means, and if the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

#### NOTE 17: REFUNDABLE ADVANCES

During 2015, the Foundation received a refundable advance on behalf of the Friends of Sulsberger Stadium, Inc. to aid in the renovation of Sulsberger Stadium. The funds have been included in the Friends of Sulsberger Stadium Fund held at the Foundation. The Foundation then uses pledges received by the Fund to repay the refundable advance in accordance with the payment terms of the promissory note the Friends of Sulsberger Stadium, Inc. has with a bank. The balance of this refundable advance was \$135,125 and \$0 as of December 31, 2015 and 2014, respectively.

#### NOTE 20: COMMITMENT

The Foundation signed a five year licensing agreement with their software provider. The agreement automatically renews for three years unless either party provides notice of its intent not to renew within 365 days prior to the end of the term. The Foundation pays a license fee of \$2,100/month the first 12 months, \$2,300/month the second 12 months, \$2,600/month the third 12 months, thereafter the fee is calculated daily based on the Foundation's asset value, approximated here at \$3000/month.

Minimum payments as of December 31, 2015 are approximated as follows:

Years Ended December 31,	A	Amount	
2016	\$	34,800	
2017		36,000	
2018		9,000	
	\$	79,800	

Expense associated with the above commitment, for the years ended December 31, 2015 and 2014, totaled \$32,900 and \$26,600 respectively.
