Floyd and Olga Porter Scholarship

This scholarship is open to students who are enrolled in or accepted to an accredited graduate program in any field of study. Preference may be given to students pursuing careers in medicine, dentistry, veterinary medicine, pharmacy, or other healthcare-related professions.

Applicants must reside in Muskingum County or a neighboring county. Preference may also be given to students who plan to return and serve their community or another rural area after completing their education.

Recipients are required to participate in a year-long mentorship program designed to support their academic, professional, and personal growth.

Selection is based on academic achievement, character, leadership potential, commitment to community service, and alignment with the goals of the mentorship program.
