How Your ACT Scores Help Scholarship Central

Scholarship Central has been able to provide ACT Prep Classes through local donations from the Muskingum County Community Foundation, GEAR UP, and Dr. William Stewart's generous commitment to teaching the classes.

More than 2,600 students have participated in ACT Prep Classes at the Muskingum County Community Foundation through Scholarship Central, preparing for 54 tests from October 2008 to June 2018. Scholarship Central has calculated for students that we have before and after scores, that the average increase in scores during this period was 1.6 points.

In the past five years, classes have been consistently full, averaging 50 students for each of the five test classes each year. Keeping these records helps provide proof of the class' benefit and helps fund this program and other Scholarship Central programs.

Thank you for being a part of the college access efforts by the Muskingum County Community Foundation!
