2024 Annual Report

Dear Friends,

I am pleased to present The Muskingum County Community Foundation's (MCCF) 2024 Annual Report, showcasing our remarkable journey and accomplishments throughout the year.

In 2024, MCCF collaborated with partners like the City of Zanesville, The Zanesville-Muskingum County Port Authority, The J.W. & M.H. Straker Charitable Foundation, and other partners to continue our mission of improving the quality of life in Muskingum County.

This year's report offers a glimpse into how MCCF helps grow "deep roots" in Muskingum County. From the story of a Washington, D.C. native who is now making Muskingum County home to the realized dreams of Leasure Farms, MCCF's impact allows our community to thrive. You will also learn about scholarships providing support to local students and the power of unrestricted grant dollars allowing for flexibility now and in the future.

2025 marks the 40th anniversary of MCCF and we are looking forward to even more growth in Muskingum County. We want to thank you for being with us along this journey!

If you ever need something, have an idea, or just want to visit, please feel free to stop by the office at 534 Putnam Avenue or online at www.mccf.org.

Sincerely,

Brian Wagner
Chief Executive Officer

Putting Down Deep Roots

Scan this QR code to learn more about Make Muskingum Home.

Gerald Hall, an intervention specialist at Zanesville High School, was in the middle of a typical day when his life changed unexpectedly. As he worked with his students, a crowd of smiling faces from The Muskingum County Community Foundation and the J.W. & M.H. Straker Foundation entered his classroom. They carried a giant check for \$50,000, a gift to help pay off Hall's student loan debt.

Hall, who had moved to Muskingum County from the Washington D.C. area fell in love with the community, was overwhelmed with gratitude. This award, part of the Make Muskingum Home program, requires him to live and work in the county for at least five years and get involved in local activities. Hall is already deeply embedded in the community, coaching youth football and participating in Muskingum County Emerging Leaders.

The Make Muskingum Home program aims to combat "brain drain" by encouraging young professionals to stay in or move to Muskingum County. The program offers significant financial support, easing the burden of student loan debt and allowing recipients to invest in their futures.

Make Muskingum Home is more than just financial aid; it's a community effort to build a brighter future. As Brian Wagner, MCCF CEO said, "The Make Muskingum Home program is a testament to our commitment to attracting and retaining top talent."

Susan Holdren, President and Executive Director of the J.W. and M.H. Straker Charitable Foundation, echoed this sentiment: "By investing in our young people, we are investing in the future of Muskingum County. We believe this program will not only benefit the recipients but also strengthen our community as a whole."

This program continues to inspire and attract young professionals to Muskingum County, ensuring that more individuals like Gerald Hall will call Muskingum County home.

Mr. Hall and a student are shocked by the "Surprise Squad"

Building Our Future, Brick By Brick

In 2024, MCCF set out with an ambitious goal: raise \$1.25 million to fund Make Muskingum Home for another five years, matching a generous commitment from the J.W. & M.H. Straker Charitable Foundation. These community partners joined the Make Muskingum Home "family" as sponsors, pledging monetary commitments through 2029 to ensure the vitality of Muskingum County.

Bringing Legacy to the Legend: The Story of Leasure Farms

Aileen Leasure’s story has become a local legend, a heartwarming tale of a woman who chose community over commerce. It’s said that Sam Walton himself once graced her doorstep, eager to purchase the Leasure family farm. While many would have jumped at the chance to share in the Wal-Mart fortune, Aileen, politely but firmly declined, asking the retail giant to leave her living room.

Aileen’s vision for her land extended far beyond a sprawling parking lot and a boxy building. She cherished the farm and recognized its potential to enrich the lives of others.

In 1997, she established a Charitable Trust, and in 2014, the beloved Leasure Farm was generously gifted to The Muskingum County Community Foundation.

Aileen shared her dreams for the farm with MCCF, expressing her deep desire for it to remain a place where people could live, thrive, and enjoy the land as she had for over seventy years. She envisioned a vibrant community, a place where families could build their lives. MCCF honored Aileen’s wishes, and in 2024, the former Leasure family farm found new stewards.

Recognizing the growing need for housing in Muskingum County, the foundation carefully worked alongside county and city government to plan the development of single-family homes on the 74.5 acre property, now known as “Leasure Farms.” This thoughtful project, beginning with Phase 1, has the potential to create approximately 80 single-family homes and 16 condominiums, offering much-needed housing solutions for local families.

Though Aileen is no longer with us, her spirit lives on through Leasure Farms. Her legacy of generosity and her commitment to her community will continue to bless generations to come, a testament to the enduring power of one woman's vision.

Like Mrs. Leasure, many individuals find themselves in a position to give back after a lifetime of hard work and careful planning. This is where the power of planned giving, facilitated by your professional advisor and MCCF, becomes invaluable.

MCCF can act as a bridge, connecting you with the most effective and meaningful ways to give back. The Muskingum County Community Foundation has a deep understanding of our community's needs, ensuring that donations are directed to where they will have the greatest impact.

The result is a powerful pairing: your generosity combined with community knowledge and expert guidance. Your gift can become a catalyst for positive change.

Planned giving through MCCF isn't just about making a donation; it's about building a legacy, ensuring your values and passions shape a brighter Muskingum County.

6 Myths About Planned Giving

1. My estate isn't big enough.
2. I need to provide for my family, so I can't leave a charitable gift in my will.
3. Estate planning is for old people.
4. Creating a will is complicated and expensive.
5. I must have a will in order to leave a planned gift.
6. I need to have all the answers now.

A Garden of Gifts: Unrestricted Funds

give an unrestricted
gift.

Imagine MCCF as a garden. We love when folks bring us beautiful, specific flowers to plant -- those are designated gifts, and they make a real difference!

But what really helps the entire garden flourish is the rich soil -- that's unrestricted giving. It lets MCCF nurture unexpected sprouts, adapt to sudden weather changes, and make sure every part of the garden gets what it needs to thrive.

It's that flexibility that allows us to truly respond to what Muskingum County needs, right when it needs it, and to plant seeds for a brighter future we may not even see coming yet. Consider making an unrestricted gift or opening an unrestricted fund this year.

Free mammograms are just one of the programs supported with unrestricted funding.
