DEAR,

LOVE,

Muskingum County Courthouse

The Muskingum County Courthouse is a historic building in Zanesville, Ohio. It was designed by T.B. Townsend and H. E. Myer, and built in 1877 with stone, brick, and slate in the Second Empire architecture style. The building is listed on the National Register of Historic Places and is located at 4th and Main Streets.

Through the holiday season, the Muskingum County Courthouse is the focal point of our town's "A Storybook Christmas". During this time, you can view a Music and Light show nightly which features over 5 million color combinations.

The Letter Bridges

We have two different letter shaped bridges in Muskingum County.

**Connect the dots to reveal which letters
these two bridges are shaped after!**

THE LORENA STERNWHEELER

The Lorena Sternwheeler is moored at Zane's Landing Park at the West end of Market Street in Downtown Zanesville and offers excursions on the Muskingum River. She can carry 70 passengers and is 104 feet long, 17 feet wide, and weighs 59 tons. The hull is 68.5 feet and draws 2.5 feet of water.

The current Lorena Sternwheeler was introduced to Zanesville in 1976 for the bicentennial of the United States. Originally known as "Bryce M" in Pine Bluff, Arkansas, the boat was renamed "Lorena" after the sweetheart of a popular Civil War song written by Zanesville native Henry De Lafayette Webster. The boat navigated the Arkansas, Mississippi, Ohio and Muskingum Rivers during its two week journey to Zanesville.

Navigate the Lorena Sternwheeler through the maze and get her safely back to Zane's Landing!

Excursions on the Muskingum River from May through mid-October.
Available for public rides, dinner cruises, lunch cruises and charters.

-POTTERY-

In Southeastern Ohio, the raw material clay was taken from the ground by pioneers and farmers who used it to make practical household items. It soon grew into an entire industry with skilled craftsmen hand making and painting attractive dinnerware, delicate art pottery, sturdy stoneware crocks and decorative ceramic tile.

Today, pottery is still made in the community of Muskingum County and has become a proud symbol of our local heritage and culture; it has become our tradition.

Can you tell which of these two pieces of pottery are identical?
