Energy Cooperative: Children of Members Scholarships

Scholarship to high school seniors whose parents/guardians are members of The Energy Cooperative. Children of members scholarships are processed and awarded through the Energy Cooperative. Overall, the judges are looking for the most well-rounded, accomplished students. The "Children of Members" scholarship winners are interviewed for the opportunity to move forward to Ohio Electric Cooperative's scholarship program. OEC will conduct the 2nd round of interviews, and additional scholarship funds are available to those finalists.
