How do I apply?

1. Go to www.mccf.org/apply
2. Create an Account
3. Click the "My Opportunities" tab to view open applications

What is the selection process?

Each scholarship fund has its own selection process and guidelines. Spring scholarship committees strive to finalize recipient(s) before May 1. All other winners will be notified via email (please check spam folders). Please feel free to email scholarshipcentral@mccf.org with questions about the process.

When will I receive my award?

Most recipients are required to complete the MCCF Scholarship Acceptance Form accessed through the GoApply portal (www.mccf.org/apply) with instructions provided via email. Recipients must submit a copy of their upcoming semester's schedule and previous semester's final grades. Awards may be sent to the recipient or to the institution unless stipulated by the fund.
